

**Music**

OCR GCSE in Music J535

DRAFT

# IMPORTANT

Controlled Assessment materials are stored electronically and moderation samples submitted in their electronic format.

To offer this qualification, centres **MUST**:

Be a registered EDI (Electronic Data Information) user. For more information on EDI please go to the OCR website at [www.ocr.org.uk](http://www.ocr.org.uk) or refer to the Entry Instructions within the Administrative Guide and Entry Procedures (E3) folder.

Basic guidance on the production of electronic Controlled Assessment is provided in Appendix E.

For further guidance on requirements for electronic Controlled Assessment, contact [general.qualifications@ocr.org.uk](mailto:general.qualifications@ocr.org.uk)

# 1 About these Qualifications

This booklet contains OCR's GCSE specification in Music for teaching from September 2009.

This specification provides structured opportunities for candidates to develop their musical understanding through the interrelated activities of performing/realising and composing, and listening/appraising.

Key Features of this specification:

- Structured musical learning through four Areas of Study
- Opportunity for candidates to explore and compose in styles of their choice within the Areas of Study
- Opportunity to perform in a variety of ways: Live Performance; Sequencing; Rapping; DJ mixing
- No distinction between solo and ensemble in performance, enabling candidates to perform to their strengths
- No instrumental bias: tasks, including the Creative Task, accessible to all instruments
- Performances will continue to be assessed with a greater emphasis on musicality than difficulty, ensuring that the highest grades are accessible to those candidates who may not receive specialist instrumental tuition
- Opportunity to develop a wide range of creative, personal and social skills

This specification provides a coherent, satisfying and worthwhile course of study for candidates. The content of the Areas of Study includes a range of music from the past and present, from the western classical tradition and other world cultures. It offers suitable preparation for further study.

The specification takes into account developments in musical engagement, and offers candidates greater opportunity to use ICT and twenty first century music technologies, as well as continuing to cater for candidates who perform and compose using acoustic instruments.

The specification meets the QCA subject criteria for Music. It offers a system of assessment for GCSE based on a coherent set of criteria for rewarding positive achievement across Grades G-A\*. It is fundamentally designed to assess a candidate's capability at the end of KS4. However, the assessment of candidates is on a unitised basis and Units B353 and B354 will be offered in January and June, thereby allowing some flexibility.

## 1.1 GCSE (Full Course)

From September 2009 the GCSE Course is made up of **four** mandatory units, **two** of which offer controlled assessment, and **two** of which are externally assessed.

Unit Code	Unit Title	Entry Option	Entry	Duration	Weighting
B351	Integrated Tasks		Portfolio		30%
B352	Practical Portfolio		Portfolio		30%
B353	Creative Task		Paper	45 mins	15%
B354	Listening Examination		Paper	Up to 1 hour 30 mins	25%

## 1.2 Qualification Title and Levels

---

This qualification is shown on a certificate as:

- OCR GCSE in Music.

This qualification is approved by the regulatory authorities (QCA, DCELLS and CCEA) as part of the National Qualifications Framework.

Candidates who gain Grades D to G will have achieved an award at Foundation Level 1 (Level 1 of the National Qualifications Framework).

Candidates who gain Grades A\* to C will have achieved an award at Intermediate Level 2 (Level 2 of the National Qualifications Framework).

## 1.3 Aims

---

GCSE specifications in music should encourage candidates to be inspired, moved and changed by following a broad, coherent, satisfying and worthwhile course of study and to develop broader life-skills and attributes including critical and creative thinking, aesthetic sensitivity, emotional awareness, cultural understanding, self-discipline, self-confidence and self-motivation. They should prepare learners to make informed decisions about further learning opportunities and career choices.

GCSE specifications in music must enable candidates to:

- actively engage in the process of music study in order to develop as effective and independent learners and as critical and reflective thinkers with enquiring minds
- develop their own musical interests and skills including the ability to make music individually and in groups
- evaluate their own and others' music
- understand and appreciate a range of different kinds of music.

## 1.4 Prior Learning/Attainment

---

Candidates who are taking courses leading to this qualification at Key Stage 4 should normally have followed the corresponding Key Stage 3 Programme of Study within the National Curriculum.

Candidates entering this course should have achieved a general educational level equivalent to National Curriculum Level 3, or an Entry 3 at Entry Level within the National Qualifications Framework.

## 2 Summary of Content

The Specification requires candidates to develop their ability in performing/realising and composing, and to develop their listening and appraising skills.

The specification contains four areas of study, which define the subject content, through which candidates develop their knowledge and understanding of:

- the use of musical elements, devices, tonalities and structures;
- the use of resources, conventions, processes, music technology and relevant notations, including staff notation;
- the contextual influences that affect the way music is created, performed and heard including the effect of different intentions, uses, venues, occasions, available resources and the cultural environment.

Across the areas of study, students will study music from the past and present, from the western tradition and other world cultures. The areas of study also provide opportunities for candidates to further their understanding of musical styles of their own choosing.

The areas of study are:

Area of Study 1	<b>My Music</b>
Area of Study 2	<b>Shared Music</b>
Area of Study 3	<b>Dance Music</b>
Area of Study 4	<b>Descriptive Music</b>

### 2.1 GCSE Units

The assessment consists of four units:

#### Unit B351: *Integrated Tasks*

- A performance\*, a composition and a commentary, all related to Area of Study 1. (30%)

#### Unit B352: *Practical Portfolio*

- A portfolio containing performing/realising and composing. (30%)

#### Unit B353: *Creative Task*

- A timed task drawing on understanding gained from all areas of study, in which candidates develop a short piece and communicate it, based on a stimulus. (15%)

#### Unit B354: *Listening Test*

- A written paper, with CD, assessing knowledge and understanding of Areas of Study 2, 3 and 4. (25%)

**\*References to “performance” and “performing” in this specification include realising using ICT.**

**Allocation of Raw and UMS Marks:**

Unit	AO1	AO2	AO3	Total	UMS
B351	30	20	10	60	120
B352	30	20	10	60	120
B353	10	20	-	30	60
B354	-	-	100	100	100

## 3 Content

### 3.1 Area of Study 1: *My Music (Spotlight on my Instrument)*

---

The content for this area of study is assessed in:

Unit B351 Integrated Tasks

Candidates should study their instrument, which can include voice or ICT, selecting **as appropriate** from:

- its range, characteristic timbre, and technical strengths and limitations;
- its use in different genres, its impact on ensembles, and idiomatic techniques including the use of ICT;
- the contextual influences on the way it is used, including the cultural environment.

#### Focus for Learning

Candidates should apply their understanding to the study of a piece, which is within their capabilities and in a genre or style of their choice. This can be either a solo, or an ensemble piece in which their instrument plays a significant part. They should study the **context** of the piece, the **role of their instrument** in it and the **techniques** used to create the performance. This will then lead to a performance/recording of the piece, a written commentary and brief, and a composition.

In some performing contexts, such as beatboxing, or DJing, the performed piece will be improvised by the candidate reflecting techniques used in a piece studied. In such cases it is acceptable for the performed piece to contain a substantial amount of improvisation by the candidate, and will be assessed as a performance.

#### Assessment

Unit B351 forms the basis of assessment of this area of study and should be submitted as follows:

- **Performance 1:** a performance of the piece studied
- **Commentary:** one paragraph on each of the following:
  - the context of the piece and the role of the candidate's instrument within it
  - the instrumental techniques used to perform the piece
  - the quality of the performance
  - a brief for a composition drawing on the techniques investigated
- **Composition 1:** a piece for the candidate's instrument based on the brief. This can be either a solo, or an ensemble in which the candidate's instrument plays a significant part

#### Extension

Candidates may provide a second performance on the same instrument as part of Unit B352.

## 3.2 Area of Study 2: *Shared Music (Musical Relationships and Roles)*

---

The content for this area of study is assessed in:

Unit B354 Listening Test

Candidates may apply their understanding of the content to their work in:

Unit B352 Practical Portfolio

Unit B353 Creative Task

Candidates should study how musicians work together in different stylistic and cultural contexts, by exploring:

- how a solo part is supported and enhanced by an accompaniment in:
  - voice with single instrumental accompaniment;
  - lead voice/instrument with ensemble;
- how parts combine as equal partners in small ensembles;
- the impact of large musical forces in choral singing.

### Focus for Learning

Candidates should explore the **relationships and roles of voices and instruments** as shown in:

- Voice and accompaniment:
  - Romantic song (lieder)
  - Pop ballads
- Music contrasting one solo instrument with orchestra / band
  - Classical concerto
  - Jazz
- Small ensembles:
  - Indian classical music
  - Gamelan
  - Baroque and Classical chamber music
- Large vocal ensembles:
  - The 'great choral classics'
  - African *a capella* singing

Candidates will be expected to know names of composers and performers and how instrumental/vocal relationships have changed or stayed the same over time.

This area of study will also focus on:

- the way in which performers learn their parts and have their music communicated, i.e. from notation or from following a leader in an improvisatory manner;
- the contextual features that affect the way ensembles interact, including venues, available resources and the cultural environment.

Candidates should be given the opportunity to learn about relationships and roles through practical experience of performing together.

### **Assessment**

Knowledge and understanding of the relationships listed will be assessed in Unit B354: Listening Test.

Candidates will have additional opportunity to demonstrate their understanding within Unit B353: Creative Task and Unit B352: Portfolio.

### **Extension**

Candidates can further explore the relationships listed above in styles, genres and traditions of their own choice.

### 3.3 Area of Study 3: *Dance Music*

---

The content for this area of study is assessed in:

Unit B354 Listening Test

Candidates may apply their understanding of the content to their work in:

Unit B352 Practical Portfolio

Unit B353 Creative Task

Candidates should study the characteristic features and rhythmic patterns of three types of social dance drawn from contrasting social/historical/geographical contexts:

- **Paired dance:**
  - Waltz
  - Latin Dance (Tango, Salsa)
- **Group/folk/synchronised dance:**
  - Line Dance (American, Irish Jig and Reel)
  - Bhangra
- **Improvised dance:**
  - Disco
  - Club Dance

#### **Focus for learning:**

Candidates should study and develop an understanding of:

- the origins and cultural context of each style of dance;
- the musical characteristics of each dance (structure, tempo, metre, rhythm, melody, instrumentation);
- links between the music and the dance steps;
- the impact of venue and occasion on the way the music is structured and performed;
- the impact of technology on modern dance;
- the names of composers and performers of the music.

**Assessment:**

- Knowledge and understanding of the dance styles and their contexts will be assessed in Unit B354: Listening Test. (Extracts from related dance styles other than those listed above could be used as a means of comparison. Detailed specific knowledge would not be expected.)
- Candidates will have additional opportunity to demonstrate their understanding by composing in one of the dance styles listed or a dance style of their own choice in Unit B352: Practical Portfolio.
- Candidates may choose to base their Creative Task (Unit B353) on a dance style.

**Extension**

Candidates can explore dance styles of their own choice.

### 3.4 Area of Study 4: *Descriptive Music*

---

The content for this area of study is assessed in:

Unit 354 Listening Test

Candidates may apply their understanding of the content for this area of study to their work in:

Unit 352 Practical Portfolio

Unit 353 Creative Task

Candidates should study descriptive music from the Romantic period to the present day. Music is a highly expressive medium and candidates should explore how composers have used music to convey stories, paint pictures and set scenes through:

- Programme Music (Symphonic music from 1820 onwards);
- Film Music.

#### **Focus for Learning**

Candidates should study and develop understanding of how composers use music to express

- a story, picture or scene;
- a mood or emotion;
- a drama or action.

Candidates should learn how composers have organised sounds for descriptive purposes through the use of musical elements, devices, tonalities and structures. They should explore the use of resources, conventions, processes and music technology.

Candidates should learn the difference between composing descriptive music (where the music has to carry the meaning alone and the structure is in the hands of the composer) and composing music to a film (where the music has to complement the action and work within a framework already set by the film makers).

#### **Assessment**

- Knowledge and understanding will be assessed in Unit B354: Listening Test.
- Candidates will have additional opportunity to demonstrate their understanding within Unit B353: Creative Task and Unit B352: Portfolio.

#### **Extension**

Candidates can explore other musical forms which convey meaning, related to their own interests.

## 3.5 Language for Learning

---

Candidates should understand and correctly use language from the following list. Where appropriate they should be able to recognise and name features heard. The lists define the vocabulary which will be used in the listening test. Candidates will not be penalised for correctly using other terminology outside of the list.

Candidates will also use many of the concepts listed in their performing, composing and appraising.

The **General Musical Vocabulary** defines terms which apply across areas of study. The **Area of Study** section defines more specialised language which is appropriate to the specific area of study.

### General Musical Vocabulary

#### Notation

Note lengths and rests from semibreve to semiquaver including dotted notes and triplets  
Pitch names and their places on the treble clef from G<sub>1</sub> to C<sup>11</sup>  
Stave, score  
Treble and bass clefs  
Dynamic markings from *ff* to *pp* (including full Italian names), crescendo and diminuendo in words and symbol  
Bar and double bar lines, repeat marks  
Key signatures and keys up to three sharps and flats  
Time signatures: simple duple, triple and quadruple, and compound duple  
Sharp, flat, natural  
Phrase marks and slurs  
Articulation marks: accent, staccato, sforzando  
Ornaments and their signs: trill, grace note, turn

#### Melody/Pitch

Stepwise, scalar  
Chromatic  
Leap  
Intervals; 2<sup>nd</sup> 3<sup>rd</sup> 4<sup>th</sup> 5<sup>th</sup> 6<sup>th</sup> 7<sup>th</sup>, unison, octave  
Tonic, sub-dominant, dominant, relative minor  
Modulation (to the above keys)  
Scales: Major/minor/pentatonic/modal/blues scale/whole tone/raga/tone row  
Range  
Repetition  
Sequence  
Inversion  
Retrograde

## **Rhythm**

Anacrusis/up-beat  
Off-beat  
Syncopation  
Metre  
Pulse  
Rest/silence  
Cross-rhythm  
Polyrhythm  
Swung/swing rhythm

## **Tempo**

Largo, Andante, Moderato, Allegro, Vivace, Presto  
Accelerando  
Rallentando/Ritenuato  
Allargando  
Rubato  
Pause

## **Articulation**

Staccato  
Legato  
Slurred/tongued  
Pizzicato  
Arco  
Tremolo  
Accent/sforzando

## **Timbre**

Standard orchestral instruments and their families  
Common ensembles (orchestra, brass band, wind band, string orchestra, string quartet);  
Keyboard instruments  
Electronic and pop instruments  
Voices: soprano, mezzo soprano, alto/contralto, tenor, baritone, bass, treble, counter-tenor  
Solo, lead singer, backing vocals, chorus

## **Harmony**

Diatonic  
Dissonant  
Chromatic  
Chords: major, minor, seventh  
Atonal  
Cadences: perfect, imperfect, plagal, interrupted  
Arpeggio, broken chord, triad  
Pedal/drone  
Harmonic rhythm

## **Texture**

Solo  
Homophonic/chordal  
Polyphonic, contrapuntal, counterpoint  
Unison, monophonic  
Parallel motion, contrary motion  
Counter melody, descant, obbligato  
Imitation  
Melody and accompaniment

## **Structure**

Binary  
Ternary  
Rondo  
Sonata form: exposition, development, recapitulation  
Ground bass  
Ostinato  
Riff  
Introduction  
Coda  
Motif  
Interlude, episode  
Improvisation, improvised  
Verse and chorus, middle eight  
Instrumental break  
Call and response

## **Musical Periods**

Baroque, Classical, Romantic, Modern

## **Area of Study 1: My Music**

The language will embrace words associated with techniques specific to the candidate's chosen instrument (e.g. arco, hammer on, rim shot, fill, quantisation)

## **Area of Study 2: Shared Music**

### **Instruments and voices**

Register  
Tessitura  
Sliding, glissando, portamento  
Ululation  
Sprechgesang  
Falsetto  
A cappella  
Backing vocals  
Continuo  
Concertante  
Tutti  
Harmonics  
String bending  
Melisma  
Scat

## **Structure/devices**

Strophic, through composed  
Middle eight  
Ritornello  
Da capo  
Round, canon, fugue  
Concerto, concerto grosso  
Symphony  
Walking bass, pedal  
Dialogue, question and answer phrases  
Word painting  
Fills, stabs

## **Indian Classical music**

Tala/chaal/drone  
Raga  
Alap  
Jhor  
Jhal  
Gat  
Bhandish  
Sitar, tabla, dhol, sarangi, harmonium, tempura, sarod

## **Area of Study 3: Dance Music**

### **Waltz**

All language relating to the waltz will be drawn from the general musical vocabulary

### **Tango**

Argentine Tango  
Ballroom Tango  
Tango Neuvo  
Electro Tango

### **Salsa**

Pregon, choro  
Son, clave, tres  
Latin percussion instruments  
Big band jazz instruments  
Walking bass  
Montuno  
Comping

### **American Line-dance**

Country and Western, hustle, basic, restart, wall  
American folk instruments

## **Irish Dance**

Stepdance, reel, jig, slip, hornpipe  
Irish folk instruments

## **Bhangra**

Chaal, rag, tal  
Sitar, tabla, tanpura

## **Disco and Club Dance**

Acid house, rave, techno, jungle, drum'n'bass, garage, trance, ambient  
Hook, bridge, tag

## **Technology**

Synthesiser, drum machine, mixing desk, sequencer, multi-tracking, overdubbing  
Amplification, sampler, sampling, scratching, DJ, decks, looping, groove, digital effects,  
(FX), reverb, echo, distortion, attack, delay  
Vocoder, quantising,  
Remix, collage, overlay

## **Area of Study 4**

All language related to this area of study will be drawn from the general musical vocabulary.

## 3.6 Suggested Repertoire

---

### Area of Study 1

The repertoire is selected by the candidate. The piece studied and performed will normally be a commercially available piece, and not the candidate's composition. However, in some performing contexts, such as rapping, beatboxing, or DJing, the piece will be improvised by the candidate within the parameters of a style. In such cases it is acceptable for the performed piece to contain a substantial amount of improvisation by the candidate, and will be assessed as a performance. Candidates will then go on to create a second piece, which will be assessed as a composition.

### Area of Study 2

- How a solo part is supported and enhanced by an accompaniment could be exemplified in:
  - Schubert: *Erking/The Trout*
  - Elton John: *Your Song*
  - Haydn: *Trumpet Concerto*
  - Gerry Rafferty: *Baker Street* (sax solo)
  - Louis Armstrong: *Basin Street Blues*
- How parts combine as equal partners could be exemplified in:
  - Pachelbel: *Canon*
  - Mozart: *Eine Kleine Nachtmusik*
  - Music for Sitar and Tabla
  - Music for Gamelan
- The impact of large musical forces could be exemplified in:
  - Handel: *For unto us a child is born* from *Messiah*
  - Orff: *O Fortuna* from *Carmina Burana*
  - Choral music of John Rutter
  - Songs by Ladyship Black Mambazo

### Area of Study 3

- **Waltz:**
  - Strauss: *Emperor Waltz*
  - Chopin: *Minute Waltz*
  - Tchaikovsky: Waltzes from *Swan Lake* or *Sleeping Beauty*
- **Tango:**
  - Any pieces of Tango such as found on:
    - CD: *The Rough Guide – Tango* (World Music Network)
    - CD: *The Best Tango Album In The World Ever* (EMI)
- **Salsa:**
  - Any pieces of Salsa such as found on:
    - CD: *The Rough Guide – Salsa* (World Music Network)
    - CD: *Simply Salsa* (SIMPLYCD002)
- **American Line Dance:**
  - Any pieces of American Line dance as found on:
    - CD: *Line Dance Fever* (17 CDs available – Curb Hit label)
- **Irish Dance:**
  - Any Irish jigs or reels as found on:
    - CD: *Riverdance* (K-Tel Ente)
    - CD: *Irish Celli: Reels And Jigs* (EMI)
- **Bhangra:**
  - Any pieces of Bhangra as found on:
    - CD: *The Rough Guide – Bhangra* (World Music Network)
    - CD: *Bhangra Fever*
- **Disco:**
  - Gloria Gaynor: *I Will Survive*
  - Donna Summer: *Love To Love You Baby*
  - Bee Gees: *Night Fever*
- **Club Dance:**
  - Any pieces of Club Dance as found on:
    - CD: *Club Remixes: Dance 2 This* (Thump Records)
    - CD: *The Countdown Dance Masters: Ultimate Club Mix* (Madacy)

### Area of Study 4

- Programme music could be exemplified in:
  - Tchaikovsky: Overture *Romeo and Juliet*
  - Grieg: *Peer Gynt*
  - Saint-Saens: *Danse Macabre*
  - Copland: *Billy the Kid*
- Film music could be exemplified in:
  - Hans Zimmer: *Pirates of the Caribbean, Gladiator*
  - John Barry: *Out of Africa, Somewhere in time*
  - John Williams: *Harry Potter, Superman*
  - Ron Goodwin: *633 Squadron*

It must be noted that none of the music above constitutes any kind of set work. Teachers are free to look at a variety of composers and styles to cover the required content.

# 4 Schemes of Assessment

## 4.1 GCSE Scheme of Assessment

### GCSE Music (J535)

#### Unit B351: *Integrated Tasks*

30% of the total GCSE marks  
Controlled Assessment  
60 marks

This unit requires three pieces of work, a performance (15%), a commentary (5%) and a composition (10%). The three pieces of work are linked through Area of Study 1. The work can be carried out and assessed at any time during the course.

The work must be presented as follows:

- The performance must be recorded.
- The commentary can be in written or recorded format.
- The composition must be presented in written and/or recorded format. The composition must have a clearly defined brief, which is provided as part of the commentary.

**Performance:** Candidates study a piece, which is within their performing capabilities, in a genre or style of their choice. The piece should enable them to demonstrate technical control, expression and interpretation. It should provide scope to show understanding of typical features of their instrument and ways in which musicians use it. The performance can be one of the following:

- the candidate performing alone;
- the candidate accompanied by a live or pre-recorded part;
- a piece for a group in which the candidate plays a significant part;
- a multi-tracked recording in which the candidate performs at least one part;
- a sequenced recording where the candidate programs all parts.

Other performers in the piece do not have to be GCSE candidates.

The assessment must be based on the musicality of the outcome, and the difficulty of the task, using the criteria set out in Appendix B.

---

**Commentary:** The candidate should provide a written or recorded commentary about each of the following:

- the context of the piece and the role of their instrument within it;
- the instrumental techniques used to perform the piece;
- the quality of the performance;
- a brief for a composition drawing on the techniques investigated.

There is no maximum or minimum length for the commentary but, as a guide, commentaries will normally be no more than 400 words in length.

The assessment must be based on the criteria for commentary set out in Appendix B.

A pro forma is provided in Appendix D.

---

**Composition:** Candidates should compose a piece for their instrument based on the brief. This can be either a solo, or an ensemble in which their instrument plays a significant part.

The assessment must be based on the criteria for composing set out in Appendix B.

Rules for submission of performances and composition are set out in Appendix E.

---

**This unit is internally assessed and externally moderated.**

---

30% of the total GCSE marks  
Controlled Assessment  
60 marks

Candidates should submit a portfolio of work which reflects their individual strengths. The portfolio must contain a performance element (15%), a composition element (10%) and a log and evaluation (5%)

Candidates should present **either**:

A performance and a separate composition or arrangement, with a log and evaluation

**or:**

A composition or arrangement, with log and evaluation, which the candidate performs or performs in.

**The performance** must be of a different piece from that submitted in Unit B351. It can use the same instrument or a different instrument. The performance can be one of the following:

- the candidate performing alone;
- the candidate accompanied by a live or pre-recorded part;
- a piece for a group in which the candidate plays a significant part;
- a multi-tracked recording in which the candidate performs at least one part;
- a sequenced recording where the candidate programs all parts.

Other performers in the piece do not have to be GCSE candidates.

The assessment must be based on the musicality of the outcome and the difficulty of the task, using the criteria set out in Appendix B.

**The composition or arrangement** must be based on one of the following:

- a piece for a group of two or more players (AoS 2);
- a piece of dance music in a style of the candidate's choice (AoS 3);
- a piece of descriptive music: a piece of programmatic music or music to describe a specific sequence of events or a song (AoS 4).

An arrangement must be of an existing piece, or section of a piece. It must include a creative element, and not be a transcription. A copy of the original piece (recorded or written) must accompany the portfolio.

---

The assessment must be made based on the criteria for composing or arranging set out in Appendix B.

**The log and evaluation** should define a clear brief and track the process of composing, including specific information about support provided either from the teacher, or from others, or from ICT. There should be a brief evaluation of the success of the composition. A *pro forma* is provided in Appendix D.

The assessment must be made based on the criteria for log and evaluation set out in Appendix B.

**This unit is internally assessed and externally moderated.**

---

DRAFT

## Unit B353: *Creative Task*

15% of the total GCSE marks  
45 minutes  
30 marks

The creative task enables candidates to demonstrate their musical understanding learned from their study in a practical way. Candidates will be able to draw on their understanding drawn from areas of study, although the task is not specifically tied to any one area.

Candidates will **create** and **communicate** a short piece of music in response to a stimulus set by OCR. They will undertake this under controlled conditions. They will communicate their piece either through a performance on an instrument/voice, **or** through a performance using ICT **or** by writing it down.

---

A choice of six stimuli will be offered. The candidate may develop the chosen stimulus in any style. The response must bear a clear musical relationship to the stimulus.

The stimuli will be:

- A rhythmic phrase: 2 bars of 2/4, 3/4, 4/4, or 6/8
- A note pattern: up to 9 notes (printed in staff notation with letter names)
- A melodic phrase: 8 bars to which a second part (descant or bass line) can be added
- A chord sequence: up to 5 chords (printed as triads, with chord names and tablature).
- A set of words: up to eight lines in length
- A storyboard: a short sequence of events

Candidates may use any instrument(s) including non-acoustic sound sources and ICT. If necessary any of the stimuli may be transcribed or transposed to suit the nature of specific instruments and the needs of the candidate. The transcribed/transposed version must be submitted with the candidate's work.

The format of the notation must not present an unnecessary hurdle to the candidate. If the words stimulus is chosen, the words must be used in full in the piece.

---

---

The creative task must be administered towards the end of the course at a time chosen by the Centre but during a period specified by OCR in the examination timetable. Candidates will be allowed **45 minutes** supervised time after they have selected the stimulus. Before the 45 minutes begins, the candidate will be given a copy of the printed stimuli. The teacher will play or read any of the stimuli on request. The candidate will select one of the stimuli. If the stimulus chosen is in musical notation, the teacher will play the chosen stimulus twice on a suitable instrument. The teacher may also record the stimulus for the candidate in any format.

During the supervised time, candidates may use any instruments, voice, or ICT, recording and/or writing equipment. Pre-prepared work must not be brought into the examination room. If the recording of the stimulus is used in the response, it must be manipulated directly by the candidate. For example, a candidate could manipulate the pre-recorded words to create a collage of sounds, using ICT.

At the end of the supervised time, candidates will either record their composition using their instrument or ICT, or complete their written version. The candidate alone must perform any work submitted in this component. The exception is the melodic phrase where it is expected that the phrase will be played (recorded or live) whilst the candidate performs their additional part. Candidates who choose to submit their response in written form will not be required to perform or make a recording.

---

**This unit is externally assessed.**

---

## Unit B354: *Listening Test*

25% of the total GCSE marks  
Up to 1 hour 30 minutes  
100 marks

This unit will assess candidates' knowledge and understanding of the content of Areas of Study 2 (Shared Music), 3 (Dance Music) and 4 (Descriptive Music). It will enable candidates to demonstrate their knowledge and understanding of:

- the use of musical elements, devices, tonalities and structures;
- the use of resources, conventions, processes, music technology and relevant notations, including staff notation;
- the contextual influences that affect the way music is created, performed and heard.

Candidates will be expected to answer questions based on extracts of music played during the test. The instructions to candidates and the questions will be pre-recorded with silences during which candidates will complete their answers. The question paper will serve as the answer book.

The following types of question will be asked:

- Multiple choice
- Short answer questions
- Questions that require an answer using either a series of single words or phrases, or prose extending beyond a sentence.

The recording will be in CD format. The actual length of the test will vary from year to year, dependent on the length of the musical extracts. However, to inform timetable planning, the total duration of the test, including repeated playing of the extracts and recorded silences, will not exceed one and a half hours.

The following will apply:

- Musical vocabulary used in the questions and expected in the answers will be taken from the Language for Learning on pages 14–18.
- Candidates will also be able to use non-technical language to communicate responses.
- Extracts of music will be used to assess candidates' understanding of the content of the areas of study. This will involve the use of repertoire both within and outside of the recommended lists.
- In the case of Area of Study 3 where specific dance styles are studied, extracts from related dance styles other than those listed could be used as a means of comparison. (Detailed specific knowledge will not be expected.)

---

**This unit is externally assessed.**

---

## 4.2 Entry Options

---

All candidates must be entered for Units B351, B352, B353 and B354.

Candidates must be entered for certification to claim their overall GCSE qualification grade. All candidates should be entered under the following certification code:

- OCR GCSE in Music (J535).

Please refer to the table in section 1.1 for further information.

## 4.3 Tiers

---

This scheme of assessment is un-tiered, covering all of the ability range grades from A\* to G. Candidates achieving less than the minimum mark for Grade G will be ungraded.

## 4.4 Assessment Availability

---

There are two examination series each year, in January and June:

- Units B351 and B352 will be available for assessment each June.
- Units B353 and B354 will be available for assessment each January and June.

## 4.5 Assessment Objectives

---

Candidates are expected to demonstrate aural perception, musical knowledge and understanding and communication through:

### AO1 Performing Skills

---

- Performing/realising with technical control, expression and interpretation.

### AO2 Composing Skills

---

- Creating and developing musical ideas with technical control and coherence.

### AO3 Listening and Appraising Skills

---

- Analysing and evaluating music using musical terminology.

## AO weightings – GCSE

The relationship between the components and the assessment objectives of the scheme of assessment is shown in the following grid.

Unit	% of GCSE			Total
	AO1	AO2	AO3	
Unit B351: <i>Integrated Tasks</i>	15%	10%	5%	30%
Unit B352: <i>Practical Portfolio</i>	15%	10%	5%	30%
Unit B353: <i>Creative Task – Performed</i> or <i>Creative Task – Written</i>	5%	10%		15%
		15%		15%
Unit B354: <i>Listening Examination</i>			25%	25%
	30%	35%	35%	100%
or	35%	30%	35%	100%

## 4.6 Quality of Written Communication

*Quality of written communication* is assessed in Units B351, B352 and B354.

Candidates are expected to:

- ensure that text is legible and that spelling, punctuation and grammar are accurate so that meaning is clear;
- present information in a form that suits its purpose;
- use a suitable structure and style of writing.

*Candidates who communicate their music using written notation are expected to do so accurately.*

# 5 Controlled Assessment

## 5.1 The controlled assessment units

---

Units B351 and B352 have been designed to be internally assessed, applying the principles of controlled assessment. Controls are set within the assessments so that validity and reliability are ensured and the assessors can confidently authenticate the candidates' work. These controls take a variety of forms in each of the stages of the assessment process: task setting, task taking and task marking. Within each of these three stages there are different levels of control. This section sets out the overall OCR approach, but the Scheme of Assessment sections of the units include more detail and any specific requirements.

## 5.2 Task setting

---

### 5.2.1 The OCR approach

---

OCR will assume a medium level of control in relation to the setting of tasks.

Candidates will need to take part in a planned learning programme that covers the underpinning knowledge and skills of the unit in addition to completing the evidence requirements of the designated assessment tasks.

### 5.2.2 Using controlled assessment tasks

---

The OCR set tasks of Performance (Unit B351; Unit B352), Composition (Unit B351; Unit B352), Arrangement (Unit B352), Commentary (Unit B351) and Log and Evaluation (Unit B352) should be used to reflect candidates' individual strengths, capabilities and interests, within the link to AoS 1 in Unit B351 and the compositional link to AoS 2, AoS 3 or AoS 4 in Unit B352.

## 5.3 Task taking

---

### 5.3.1 The OCR approach

---

For GCSE in Music OCR will assume a medium level of control. The task taking parameters will be defined for several key controls and the remainder set by centres as outlined below.

### 5.3.2 Definitions of the controls

---

(a) **Authenticity control:** Candidates will complete all work for assessment under direct teacher supervision except as outlined below. For GCSE in Music most, but not all, work for assessment would be under direct teacher supervision, for example, it is acceptable for some aspects of exploration to be outside the direct supervision of the teacher but the teacher must be able to authenticate the work and insist on acknowledgement and referencing of any sources used.

(b) **Feedback control:** Feedback to candidates will be encouraged but tightly defined. Within GCSE in Music OCR expects teachers to supervise and guide candidates who are undertaking work which is internally assessed. The degree of teacher guidance in candidates' work will vary according to the kinds of work being undertaken. It should be remembered, however, that candidates are required to reach their own judgements and conclusions. When supervising tasks, teachers are expected to:

- Offer candidates general advice about how best to approach such tasks (teachers must **not** provide detailed and specific advice on how any compositional drafts, for example, may be improved to meet the assessment criteria);
- Exercise continuing supervision of work in order to monitor progress and to prevent plagiarism;
- Exercise continuing supervision of practical work to ensure essential compliance with Health and Safety requirements;
- Ensure that the work is completed in accordance with the specification requirements and can be assessed in accordance with the specified marking criteria and procedures.

(c) **Time control:** As a guide, candidates will be expected to take no longer than five minutes to complete each of the Performing/Realising assessment tasks in Units B351 and B352.

As a guide, candidates will be expected to produce an outcome of no longer than five minutes to complete each of the Composing/Arranging assessment tasks in Units B351 and B352.

As a guide, candidates will be expected to take no longer than four hours to complete the Commentary assessment task in Unit B351, which should be normally no more than 400 words in length.

As a guide, candidates will be expected to take no longer than three hours to complete the Log and Evaluation assessment task in Unit B352.

Controlled assessed work should be supervised and marked by the teacher. Some of the work, by its very nature, may be undertaken outside the centre, e.g. listening, practicing, etc., but it is likely that using or applying these activities will be undertaken under direct teacher supervision. With all internally assessed work, the teacher must be satisfied that the work submitted for assessment is the candidate's own work and be able to authenticate it using the specified procedure.

(d) **Collaboration control:** Candidates must complete and/or evidence all work individually. With reference to collaboration control, all assessment evidence will be provided by the individual candidate. However, where group work is either prescribed in certain units or suggested as an alternative to individual work it is vital to be able to identify the individual contribution

(e) **Resource control:** Access to resources will be limited to those appropriate to the task and as required by the unit. Candidates will need to be provided with the most appropriate materials and equipment to allow them full access to the marking criteria and the use of specialist equipment and software will be required to enable the candidate to achieve fully.

### 5.3.3 Quality assuring the controls

---

It is the responsibility of the Head of Centre to ensure that the controls set out in the specification and the individual units are imposed.

### 5.3.4 Completing the tasks

---

Each candidate must produce individual and authentic evidence for each of the tasks. It is particularly important that candidates working in groups, where the unit allows this, should still produce individual evidence of their contribution to ongoing group work and any final realisation or outcome.

Centre staff may give support and guidance to candidates. This support and guidance should focus on checking that candidates understand what is expected of them. It is **not** acceptable for tutors to provide model answers or to work through answers or drafts in detail.

Candidates may use information from any relevant source to help them with producing evidence for the tasks unless there are any restrictions on any evidence or resources to be used, if this the case it will be clearly identified within the particular unit.

Candidates must be guided on the use of information from all sources to ensure that confidentiality and intellectual property rights are maintained at all times. It is essential that any material directly used from a source is appropriately and rigorously referenced.

### 5.3.5 Presentation of work

---

Candidates must observe certain procedures in the production of controlled assessments.

- Any copied material must be suitably acknowledged.
- Quotations, both musical and textual, must be clearly marked and a reference provided wherever possible.
- Work submitted for moderation or marking must be marked with the:

centre number;  
centre name;  
candidate number;  
candidate name;  
specification code and title;  
assignment title.

Controlled Assessment work submitted in digital format (CD or online) must be in a suitable file structure with each file clearly named with the unit code, centre number and candidate number. Please refer to Appendix E for more guidance on the production of electronic controlled assessment evidence.

## 5.4 Task marking

---

### 5.4.1 The OCR approach

---

For GCSE in Music OCR will assume a medium level of control in relation to the marking of tasks. All controlled assessed units will be marked by the centre assessor(s) using awarding body marking grids and guidance and moderated by the OCR appointed moderator. For this GCSE in Music, external moderation will take the form of postal moderation, where evidence in CD format must be used, or e-moderation, where evidence in a digital format is required.

### 5.4.2 Applying the assessment criteria

---

The starting point for marking the tasks is the Marking Grids within each unit. These contain levels of criteria for the skills, knowledge and understanding that the candidate is required to demonstrate.

### 5.4.3 Use of 'best fit' approach to marking grids

---

The assessment task(s) for each unit should be marked by the teacher according to the given marking criteria within the relevant unit using a 'best fit' approach. For each of the assessment criteria, one of the descriptors provided in the marking grid that most closely describes the quality of the work being marked should be selected.

Marking should be positive, rewarding achievement rather than penalising failure or omissions. The award of marks **must be** directly related to the marking criteria.

Teachers use their professional judgement in selecting the descriptor that best describes the work of the candidate.

To select the most appropriate mark within the descriptor, teachers should use the following guidance:

- Where the candidate's work *convincingly* meets the statement, the highest mark should be awarded;
- Where the candidate's work *adequately* meets the statement, the most appropriate mark in the middle range should be awarded;
- Where the candidate's work *just* meets the statement, the lowest mark should be awarded.

Centres should use the full range of marks available to them; centres must award *full* marks in any band for work which fully meets that descriptor. This is work which is 'the best one could expect from candidates working at that level'. Where there are only two marks within a band the choice will be between work which, in most respects, meets the statement and work which just meets the statement. For wider mark bands the marks on either side of the middle mark(s) for 'adequately met' should be used where the standard is lower or higher than 'adequate' but **not** the highest or lowest mark in the band.

Only one mark per assessment criterion will be entered. The final mark for the candidate for each controlled assessment unit is out of a total of **60** and is found by totalling the marks awarded for each of the appropriate marking criteria.

## 5.4.4 Authentication

---

Teachers/course tutors must be confident that the work they mark is the candidate's own. This does not mean that a candidate must be supervised throughout the completion of all work but the teacher/course tutor must exercise sufficient supervision, or introduce sufficient checks, to be in a position to judge the authenticity of the candidate's work.

Wherever possible, the teacher/course tutor should discuss work-in-progress with candidates. These discussions should form part of the regular entries in the Log for Unit B352. This will not only ensure that work is underway in a planned and timely manner but will also provide opportunities for assessors to check authenticity of the work and provide general feedback.

Candidates must not plagiarise or copy work. Plagiarism is the submission of another's work as one's own and can be caused by failure to acknowledge the source correctly. Plagiarism and copying are considered to be malpractice and could lead to the candidate being disqualified. Plagiarism sometimes occurs innocently when candidates are unaware of the need to reference or acknowledge their sources. It is therefore important that centres ensure that candidates understand that the work they submit must be their own and that they understand the meaning of plagiarism and what penalties may be applied. Candidates may refer to research, quotations or evidence but they must list their sources. The rewards from acknowledging sources, and the credit they will gain from doing so, should be emphasised to candidates as well as the potential risks of failing to acknowledge such material.

**Please note:** Centres must confirm to OCR that the evidence produced by candidates is authentic. It is a requirement of the QCA Common Criteria for all Qualifications that proof of authentication is received by OCR.

### Presentation and authentication of performing

The following rules apply to the submission of performances:

- The candidate's part in the piece must be clearly distinguishable. In order to promote this, the following are **excluded**:
  - Performing with a recording and doubling the lead line.
  - Performing in unison with other instruments of the same timbre.
- Performing with a backing track is allowed (other than as above).
- In cases where the candidate's part is difficult to identify on the recording, a copy of the music must be sent to the moderator. If no music is available, then video evidence will be required.
- The candidate's part should not normally be consistently doubled. Where this happens, it will considerably reduce the difficulty of the task for the candidate, and this must be taken into account in selecting a difficulty mark.
- The assessor must be present throughout the recording of the performance.
- The performance must be one complete "take".

## Live performances which are enhanced by ICT

Any enhancement to a live performance using ICT must be clearly documented. Where the enhancement is made by the candidate, it can be credited as part of the assessment of the musicality of the performance. Musical enhancement can come in one of three ways:

- effects added during or after the recording of the piece;
- use of multi-tracking;
- use of a computer/midi/sequencing package.

Centres must take into account the following points when supervising live performances which are then enhanced by ICT:

- The part to be initially assessed must be performed live.
- Full details of the technology used must be provided using the **Use of Technology Form**.
- The enhancement process must be clearly documented and authenticated by the teacher.
- The candidate must be solely responsible for the enhancement.
- Where the outcome differs significantly from the initial live input or where the live input is difficult to identify aurally, a recording of both will be required for assessment.

The use of pre-programmed tracks and automatic accompaniments as part of live performance is acceptable provided information is provided about the nature of the candidate's input.

## Presentation and authentication of composing

The following rules apply to the submission of compositions:

- Compositions/arrangements may be submitted in recorded and/or written form. Where both a written and a recorded version are submitted, the assessor should indicate which version represents the true intentions of the candidate.
- If the piece is **not** in standard staff notation, it must be recorded.
- Where others are involved in the performance of the work, they must **not** enhance what the candidate has provided. Where the candidate's intention is only implied and the performer(s) interpret the composition (such as by improvising in a section or by adding accompanying figurations to a set of chords) credit cannot be given.
- In **all** cases where others are involved in a performance, **evidence** of what the performers are using as the basis for their realisation **must** be provided.
- If joint compositions are submitted, only the identifiable input of the candidate can be credited. Joint decisions cannot be credited to any one candidate.

All compositions and arrangements must have a clearly defined **brief**, or intention. These are assessed within the commentary (Unit B351) and the log (Unit B352). Without a brief, marks cannot be awarded for the composition.

Composition work **must be based on an area of study**. Within Unit B351 the composition is based on Area of Study 1, and within Unit B352, it can be based on Area of Study 2, 3 or 4.

Any material used which is **not** the candidates' own must be acknowledged and copies of the original materials (scores, recordings, technology) **must** accompany the work sent to the moderator. The teacher must verify that they have supervised the process of composing.

**If candidates use the ideas of others and do not declare them, or are found to offer work which is not of their own creation, the candidate may be penalised. It is the duty of the teacher to ensure that work which is of uncertain origin is not submitted.**

### **Commentary (Unit B351)**

The commentary should be submitted in written or recorded form. Centres may use the pro forma in Appendix D or their own format. The commentary should be divided into four paragraphs addressing the four areas defined in Area of Study 1, under the section **Commentary**. The commentary could be spoken by the candidate or presented as a dialogue between the teacher and the candidate.

Teachers may annotate the commentaries to support the marks awarded.

### **Composition Log and Evaluation (Unit B352)**

The log and evaluation should be submitted in written format. It should be compiled on a weekly basis during the process of composition and it will provide evidence of authenticity. In exceptional circumstances, it might be recorded, but as the candidate is expected to add to it regularly, this may not be practical. Centres may use the pro forma in Appendix D or their own format.

Teachers may annotate the log and evaluation to support the marks awarded.

## **5.4.5 Internal standardisation**

---

It is important that all internal assessors, working in the same subject area, work to common standards. Centres must ensure that the internal standardisation of marks across assessors and teaching groups takes place using an appropriate procedure.

This can be done in a number of ways. In the first year, reference material and OCR training meetings will provide a basis for Centres' own standardisation. In subsequent years, this, or Centres' own archive material, may be used. Centres are advised to hold preliminary meetings of staff involved to compare standards through cross-marking a small sample of work. After most marking has been completed, a further meeting at which work is exchanged and discussed will enable final adjustments to be made.

## **5.4.6 Moderation**

---

All work for Units B351 and B352 is marked by the teacher and internally standardised by the centre. Marks are then submitted to OCR, via the MS1 mark sheet, by 15 May for the June examination, after which moderation takes place in accordance with OCR procedures. The purpose of moderation is to ensure that the standard of the award of marks for work is the same for each centre and that each teacher has applied the standards appropriately across the range of candidates within the centre.

The sample of work which is presented to the Moderator for moderation must show how the marks have been awarded in relation to the marking criteria defined in Appendix B.

Each candidate's work should have a Candidate Assessment Form attached to it with a summary of the marks awarded for each task. This cover sheet should be submitted electronically within each candidate's portfolio.

All work must be submitted either in CD format, postally, or in digital format via the OCR e-repository. If submitting work postally, one CD per candidate per unit must be used. **No paper-based submissions will be accepted.**

Details of how to prepare and submit e-portfolios can be found in Appendix E.

The following must be submitted to the moderator by the teacher:

### Performing/realising

- Recordings of pieces performed.
- Title and composer/arranger of all pieces performed.
- Name of instrument being played and, in the case of ensemble performance, clear identification of the part assessed. Where the part may not be clearly identifiable throughout the recording, a score should be supplied.
- Reference to any affecting factors which impact on the mark awarded and which may not be evident from the recording.
- The nature of any electronic equipment used, including full details of automatic facilities.
- The use made by the candidate of any additional technology to enhance the performance.

### Composing/arranging

- Compositions/arrangements may be presented in written and/or recorded form. Where both a written and a recorded version are submitted the assessor should indicate which version represents the true intentions of the candidate.
- If the piece is **not** in standard staff notation it **must** be recorded.
- Precise information about any starting points or musical ideas given by others must be provided (including recording or score of original materials if an arrangement).
- Information about any technology used, giving full specification, must be provided.
- Where others are involved in a performance, **evidence** of what the performers are using as the basis for their realisation **must** be provided.

### Commentary (Unit B351) and Composition Log (Unit B352)

- These may be submitted using the pro forma in Appendix D (also available in electronic form on the OCR website), or in a format provided by the centre. Commentaries (Unit B351) may be verbalised and presented in recorded format.
- The teacher may annotate the candidate's work, as part of their marking process, provided the annotations are clearly defined and do not mask the candidate's work.
- Information about any support given by the teacher must be provided.

### CD Submissions

Each CD and case should be clearly labelled with the centre name and number and the candidate name and number. CDs must be accompanied by a track list identifying clearly where each piece is located. It is not necessary to make announcements on the CDs.

Advancements in recording technology during the lifetime of this specification may mean that other methods of recording will become acceptable. OCR will provide updates on this.

### Repository Submissions

Candidates' work must be saved in the appropriate file format on the centre's hard drive. The work must be organised in a structured way so that it can be accessed easily to be transferred to the OCR e-repository when a sample is requested by the Moderator. (See Appendix E)

## Sending work to the moderator (Units B351 and B352)

Centres will receive notification of the name and address of the moderator during the spring. The same moderator will receive work for both Units B351 and B352. The following rules apply to the submission of work to the moderator:

- Controlled Assessments will be internally assessed.
- Where there is more than one Centre-based marker, internal standardisation and comparability must be achieved before external moderation can take place.
- The marks for all candidates must be entered on the computer generated mark sheet MS1, the top copy of which must be sent to OCR by **15<sup>th</sup> May**.
- All work must be submitted either:
  - in CD format, by means of a postal system; or
  - in digital format via the OCR e-repository.

There are separate entry codes for these two methods of submission (see Section 6.1)

- Centres with ten or fewer candidates should send to the moderator or submit to the e-repository all candidates' work, with the MS1 forms **and** Candidate Assessment Forms, by **15<sup>th</sup> May**.
- Centres with 11 or more candidates should send to the moderator or submit to the e-repository **all** Candidate Assessment Forms with the MS1 forms by **15<sup>th</sup> May**. The moderator will request a minimum sample of ten plus, on a pro-rata basis, one in every ten candidates thereafter, up to a maximum sample size of twenty.
- The Creative Task should **not** be sent with the Controlled Assessments to the moderator; this will be sent to an examiner.

Candidate's work sent postally, with the exception of the Candidate Assessment Forms, will be returned to centres at the conclusion of the moderation period. OCR reserves the right to retain some work for archive purposes.

### 5.4.7 Minimum Requirement for Controlled Assessment

---

There should be clear evidence that work has been attempted and some work produced.

If a candidate submits no work for an internally assessed component, then the candidate should be indicated as being absent from that component on the mark sheets submitted to OCR. If a candidate completes any work at all for an internally assessed component, then the work should be assessed according to the internal assessment objectives and marking instructions and the appropriate mark awarded, which may be zero.

## 6 Technical Information

### 6.1 Making Unit Entries

Please note that centres must be registered with OCR in order to make any entries, including estimated entries. It is recommended that centres apply to OCR to become a registered centre well in advance of making their first entries. Centres must have made an entry for a unit in order for OCR to supply the appropriate forms and/or moderator details for controlled assessments.

**It is essential** that unit entry codes are quoted in all correspondence with OCR.

Unit code	Component code	Submission method	Unit titles
Unit B351	01	<i>Postal (by CD only) moderation</i>	Integrated Tasks
	02	<i>OCR-Repository</i>	
Unit B352	01	<i>Postal (by CD only) moderation</i>	Practical Portfolio
	02	<i>OCR-Repository</i>	
Unit B353	-	-	Creative Task
Unit B354	-	-	Listening Examination

### 6.2 Terminal Rules

Candidates must take at least 40% of the assessment in the same series they enter for the full course GCSE qualification certification.

These units can be a combination of any two from the four units of the qualification.

The mark for each of these two units will count towards aggregation, regardless of any previous entry for these units.

Examples:

Candidate A: Units 1 and 3 in June 2010, Units 2 and 4 in June 2011. Straightforward, all results count towards aggregation.

Candidate B: Units 1 and 3 in June 2010, Units 2, 3 and 4 in June 2011.

Single results from Units 1, 2 and 4 count; better result from Unit 3 (June 2010, June 2011) counts towards aggregation.

Candidate C: Units 1 and 3 in June 2010; Unit 4 in Jan 2011; Units 2 and 4 in June 2011.

Single results from Units 1, 2 and 3 count; only the result from Unit 4 in June 2011 counts (Jan 2011 discarded irrespective of result).

## 6.3 Unit and Qualification Re-sits

---

Candidates may re-sit each unit once before entering for certification for a GCSE.

Candidates may enter for the full qualifications an unlimited number of times.

## 6.4 Making Qualification Entries

---

Candidates must enter for qualification certification separately from unit assessment(s). If a certification entry is **not** made, no overall grade can be awarded.

Candidates may enter for:

- GCSE certification (entry code J535).

A candidate who has completed all the units required for the qualification must enter for certification in the same examination series in which the terminal rules are satisfied.

GCSE certification is available from June 2010.

## 6.5 Grading

---

GCSE results are awarded on the scale A\* to G. Units are awarded a\* to g. Grades are awarded on certificates. However, results for candidates who fail to achieve the minimum grade (G or g) will be recorded as unclassified (U or u) and this is not certificated.

Both GCSE (Short Course) and GCSE are unitised schemes. Candidates can take units across several different series provided the terminal rules are satisfied. They can also re-sit units or choose from optional units available. When working out candidates' overall grades OCR needs to be able to compare performance on the same unit in different series when different grade boundaries have been set, and between different units. OCR uses a Uniform Mark Scale to enable this to be done.

A candidate's uniform mark for each unit is calculated from the candidate's raw marks on that unit. The raw mark boundary marks are converted to the equivalent uniform mark boundary. Marks between grade boundaries are converted on a pro rata basis.

When unit results are issued, the candidate's unit grade and uniform mark are given. The uniform mark is shown out of the maximum uniform mark for the unit e.g. 41/60.

The specification is graded on a Uniform Mark Scale. The uniform mark thresholds for each of the assessments are shown below:

(GCSE) Unit Weighting	Maximum Unit Uniform Mark	Unit Grade								U
		a*	a	b	c	d	e	f	g	
30%	120	108	96	84	72	60	48	36	24	0
25%	100	90	80	70	60	50	40	30	20	0
15%	60	54	48	42	36	30	24	18	12	0

Candidate's uniform marks for each unit are aggregated and grades for the specification are generated on the following scale.

Qualification	Max UMS	Qualification Grade								U
		A*	A	B	C	D	E	F	G	
GCSE	400	360	320	280	240	200	160	120	80	0

## Awarding Grades

The written papers will have a total weighting of 40% and controlled assessment a weighting of 60%.

A candidate's uniform mark for each paper will be combined with the uniform mark for the controlled assessment to give a total uniform mark for the specification. The candidate's grade will be determined by the total uniform mark.

## 6.6 Result Enquiries and Appeals

Under certain circumstances, a centre may wish to query the grade available to one or more candidates or to submit an appeal against an outcome of such an enquiry. Enquiries about unit results must be made immediately following the series in which the relevant unit was taken.

For procedures relating to enquires on results and appeals, centres should consult the *Administrative Guide for General Qualifications* and the document *Enquiries about Results and Appeals – Information and Guidance for Centres* produced by the Joint Council. Copies of the most recent editions of these papers can be obtained from the OCR website.

## 6.7 Shelf-Life of Units

Individual unit results, prior to certification of the qualification, have a shelf-life limited only by that of the qualification.

## 6.8 Guided Learning Hours

---

GCSE Music requires 120-140 guided learning hours in total.

## 6.9 Code of Practice/Subject Criteria/Common Criteria Requirements

---

These specifications comply in all respects with the revised *GCSE, GCE and AEA Code of Practice* as available from the QCA website, *The Statutory Regulation of External Qualifications 2004* and the subject criteria for GCSE Music.

## 6.10 Prohibited Qualifications and Classification Code

---

Candidates who enter for the OCR GCSE specifications may not also enter for any other GCSE specification with the certification title *GCSE Music* in the same examination series.

Every specification is assigned to a national classification code indicating the subject area to which it belongs.

The classification code for these specifications is 7010.

Centres should be aware that candidates who enter for more than one GCSE qualification with the same classification code will have only one grade (the highest) counted for the purpose of the School and College Achievement and Attainment Tables.

## 6.11 Disability Discrimination Act Information Relating to this Specification

---

GCSEs often require assessment of a broad range of competences. This is because they are general qualifications and, as such, prepare candidates for a wide range of occupations and higher level courses.

The revised GCSE qualifications and subject criteria were reviewed to identify whether any of the competences required by the subject presented a potential barrier to any disabled candidates. If this was the case, the situation was reviewed again to ensure that such competences were included only where essential to the subject. The findings of this process were discussed with disability groups and with disabled people.

Reasonable adjustments are made for disabled candidates in order to enable them to access the assessments and to demonstrate what they know and can do. For this reason, very few candidates will have a complete barrier to the assessment. Information on reasonable adjustments is found in *Regulations and Guidance Relating to Candidates who are Eligible for Adjustments in Examinations* produced by the Joint Council [www.jcq.org.uk](http://www.jcq.org.uk).

Candidates who are unable to access part of the assessment, even after exploring all possibilities through reasonable adjustments, may still be able to receive an award based on the parts of the assessment they have taken.

## 6.12 Arrangements for Candidates with Particular Requirements

---

Candidates who are not disabled under the terms of the DDA may be eligible for access arrangements to enable them to demonstrate what they know and can do. Candidates who have been fully prepared for the assessment but who are ill at the time of the examination, or are too ill to take part of the assessment, may be eligible for special consideration. Centres should consult the *Regulations and Guidance Relating to Candidates who are Eligible for Adjustments in Examinations* produced by the Joint Council.

## 6.13 OCR-Repository

---

The OCR-Repository allows centres to submit their moderation sample in electronic format.

The OCR GCSE Music units B351 and B352 can be submitted electronically: please check Section 6.1 for unit entry codes for the OCR-Repository.

More information on the OCR-Repository can be found in Appendix E: Guidance for the Production of Electronic Assessment.

## 6.14 Regulations for the Creative Task (Unit B353)

---

The procedures for the supervision and administration of the Creative Task are set out in section 4.1.

The creative tasks of the candidates who perform their response or create a recording using ICT should be recorded onto one compilation CD. The work of candidates who write their tasks should be submitted in written format.

The CD case should be clearly labelled with the centre name and number. The CD must be accompanied by a track list identifying clearly the candidate's name and number and the track number. It is not necessary to make announcements on the CD.

Advancements in recording technology during the lifetime of this specification may mean that other methods of recording will become acceptable. OCR will provide updates on this.

Written tasks should be clearly labelled with the centre number and candidate name and number.

Tasks should be posted to the examiner once all candidates have completed them. **Creative tasks should not be submitted to the moderator.**

## 7 Other Specification Issues

### 7.1 Overlap with other Qualifications

---

There is no significant overlap between the content of these specifications and those for other GCSE qualifications.

### 7.2 Progression from these Qualifications

---

GCSE qualifications are general qualifications which enable candidates to progress either directly to employment, or to proceed to further qualifications.

Progression to further study from GCSE will depend upon the number and nature of the grades achieved. Broadly, candidates who are awarded mainly Grades D to G at GCSE could either strengthen their base through further study of qualifications at Level 1 within the National Qualifications Framework or could proceed to Level 2. Candidates who are awarded mainly Grades A\* to C at GCSE would be well prepared for study at Level 3 within the National Qualifications Framework.

### 7.3 Spiritual, Moral, Ethical, Social, Legislative, Economic and Cultural Issues

---

These specifications offer opportunities which can contribute to an understanding of these issues in the following topics:

Area of Study 1 (My Music) provides opportunity for candidates to deepen their understanding of the music they play, its purpose and value thus promoting their own spiritual awareness, understanding and development.

Areas of Study 2 (Shared Music) and 3 (Dance Music) offer opportunities to develop understanding of social aspects of music making, and to explore different social and cultural conditions in which music has developed. Across all areas of study, candidates will study music from the western classical tradition, and from other cultures.

Area of Study 4 (Descriptive Music) focuses on the power of music as a means of expression.

Through practical music making, candidates will learn how to work together, and will experience the social benefits that music making brings.

Through composing, candidates will be able to use music as a means of self expression.

By appraising their own performances and compositions, candidates will consider the impact of the music they create on others.

All areas of study offer opportunities to deepen understanding of the way music impacts on people's lives and well-being through learning about the way music has developed within a range of spiritual, moral, social and economic contexts.

## 7.4 Sustainable Development, Health and Safety Considerations and European Developments, consistent with international agreements

---

These specifications support these issues, consistent with current EU agreements, in the following topics:

Electrical equipment needs to be installed safely using standard electrical connectors and ensuring careful placement of trailing leads.

Pupils' physical needs should be considered when planning performances, and pupils should be encouraged to adopt correct postures and not exert undue strain on their bodies in practice situations.

Due attention should be given to decibel levels in classrooms and music practice and performance settings, and if necessary, ear plugs should be mandatory when performing some types of music (e.g. Samba, Rock).

The specification allows for study of European music, past and present.

## 7.5 Avoidance of Bias

---

OCR has taken great care in preparation of these specifications and assessment materials to avoid bias of any kind.

## 7.6 Language

---

These specifications and associated assessment materials are in English only.

## 7.7 Key Skills

This specification provides opportunities for the development of the Key Skills of *Communication*, *Application of Number*, *Information Technology*, *Working with Others*, *Improving Own Learning and Performance* and *Problem Solving* at Levels 1 and/or 2. However, the extent to which this evidence fulfils the Key Skills criteria at these levels will be totally dependent on the style of teaching and learning adopted for each unit.

The following table indicates where opportunities may exist for at least some coverage of the various Key Skills criteria at Levels 1 and/or 2 for each unit.

Unit	C		AoN		IT		WwO		IoLP		PS	
	1	2	1	2	1	2	1	2	1	2	1	2
B351	✓	✓			✓	✓	✓	✓	✓	✓	✓	✓
B352	✓	✓			✓	✓	✓	✓	✓	✓	✓	✓
B353	✓	✓			✓	✓			✓	✓	✓	✓
B354	✓	✓	✓	✓	✓	✓						

Detailed opportunities for generating Key Skills evidence through this specification are posted on the OCR website ([www.ocr.org.uk](http://www.ocr.org.uk)). A summary document for Key Skills Coordinators showing ways in which opportunities for Key Skills arise within GCSE courses has been published.

## 7.8 ICT

In order to play a full part in modern society, candidates need to be confident and effective users of ICT. Where appropriate, candidates should be given opportunities to use ICT in order to further their study of GCSE Music.

The assessment of this course requires candidates to have a clear understanding of the impact of ICT on music. Opportunities to develop such understanding exist within the study of Dance Music (AoS 3) and Descriptive Music (AoS 4).

The assessment of this course allows candidates to make use of ICT:

- as part of a performance (e.g. using distortion effects when playing the guitar);
- as a means to creating a performance through realising/sequencing;
- to enhance the performance (e.g. to add reverb to a recording);
- to facilitate the composing process (e.g. using a software programme to create and manipulate sounds);
- to present information (e.g. through using word processing packages to present written work, or through software packages to notate compositions);
- as a medium through which their composition is presented (e.g. multi-tracking different parts).

## 7.9 Citizenship

---

Since September 2002, the National Curriculum for England at Key Stage 4 has included a mandatory programme of study for citizenship.

This section offers guidance on opportunities for developing knowledge, skills and understanding of citizenship issues during the course.

Participation in music and the study of music develops generic skills that are appropriate to the citizenship curriculum. Music helps pupils to learn to work collaboratively and responsibly in performance. It offers opportunities to play an active role in the life of the school through music making. The appraisal process helps pupils to learn to think critically about the music they play and compose, and to understand the intentions of the composer.

In addition, the areas of study support some of the specific requirements of the citizenship curriculum (2007) for Key Stage 4:

- The study of music from a range of cultural traditions will encourage respect for different national, religious and ethnic identities that are represented by their music.
- Studying how musicians work together in different cultural contexts (Area of Study 2) will help pupils to recognise similarities in musical processes amongst people with different beliefs, backgrounds and traditions.
- Studying a range of dances from different cultural backgrounds (Area of Study 3) will help children to understand how community cohesion can exist through music making.
- Studying styles and genres which are popular in the UK and originate in different cultures, (such as Bhangra – Area of Study 3) will help pupils to recognise the diverse cultures, groups and communities that exist and how our British society is enriched by them.

# Appendix A: Grade Descriptions

Grade descriptions are provided to give a general indication of the standards of achievement likely to have been shown by candidates awarded particular grades. The descriptions must be interpreted in relation to the content in the specification; they are not designed to define that content. The grade awarded will depend in practice upon the extent to which the candidate has met the assessment objectives overall. Shortcomings in some aspects of the assessment may be balanced by better performance in others.

The grade descriptors have been produced by the regulatory authorities in collaboration with the awarding bodies.

## Grade F

Candidates sing and/or play music with some fluency and control of the resources used.

They compose music which shows some ability to organise musical ideas and use appropriate resources in response to a brief.

They describe musical features using a simple musical vocabulary, make improvements to their own work and offer some justification of opinions expressed.

## Grade C

Candidates sing and/or play music with control, making expressive use of phrase and dynamics appropriate to the style and mood of the music.

They compose music which shows ability to develop musical ideas, use conventions, explore the potential of musical structures and resources and fulfils a brief.

They make critical judgements about their own and others' music using a musical vocabulary.

## Grade A

Candidates explore the expressive potential of musical resources and conventions used in selected genres and traditions. They sing and/or play music with a sense of style, command of the resources used and making appropriate gradations of tempo, dynamics and balance.

They compose music which shows a coherent and imaginative development of musical ideas and consistency of style and fulfils a brief.

They make critical judgments about their own and others' music using an accurate and extensive musical vocabulary.

# Appendix B: Marking Criteria for Controlled Assessments

The appropriate set of criteria, from those given below, are to be applied to the assessment of Performing and Realising, Composing and Arranging, Commentary (Unit B351) and Composition Log and Evaluation (Unit B352).

For each set of criteria, a piece of work that does not meet the criteria statement in the lowest band will be awarded zero marks.

## Performing

When marking the assessment, teachers are reminded that the standard of performing expected is one that can be met by candidates who have received tuition only in the classroom situation.

The assessment criteria for performing have been designed to give greater weighting to the musicality of the performance than to the difficulty of the part being assessed. Candidates should select pieces that enable them to demonstrate their musicality.

The part to be assessed must be allocated a mark out of 20 using the following indicators:

1-4	The performance has a little fluency but does not communicate the intended effect of the piece. <i>In an ensemble</i> the performance is held together mainly by the other performer(s).
5-8	The performance has some fluency and uses tempo, dynamics and phrasing appropriately. It attempts to communicate the intention of the piece. <i>In an ensemble</i> the candidate demonstrates awareness of the other performer(s).
9-12	The performance is fluent and demonstrates technical control adequate to the demands of the piece. It communicates the intention of the piece with some success. <i>In an ensemble</i> the candidate coordinates their part with the other performer(s).
13-16	The performance is confident and fluent and displays good technical control appropriate to the demand of the piece. It has a sense of direction and shape and communicates the intended effect successfully. <i>In an ensemble</i> the candidate performs with sensitivity to the other part(s), making appropriate adjustments to meet the demands of co-ordination and balance.
17-20	The performance demonstrates confidence and fluency with technical control which supports musical expression. The performer provides a convincing and memorable interpretation of the piece. <i>In an ensemble</i> the candidate demonstrates empathy with the other performer(s).

The initial mark for the performance of the assessed part (maximum 20) is to be added to a mark out of 10 based on the technical difficulty of the part performed:

## Difficulty (instrument/voice)

1-2	A simple piece which uses a limited rhythmic and/or melodic range with easy movement between notes, in an easy key
3-6	A piece which requires a range of rhythmic and/or melodic change with some technical demands in terms of articulation, phrasing, gradations of dynamics and key.
7-10	A more complex piece involving sustained control, with more intricate technical demands in terms of an extended range and control of tempo, dynamics and phrasing.

The difficulty mark is to be determined by using the descriptors in this specification and not by using the criteria of other examining bodies. Exemplar guidance on the assessment of the level of difficulty on different instruments/voice is given on pages 50-58. Candidates should attempt pieces that are within their performing capabilities. Marks awarded for difficulty cannot exceed marks for musicality.

If a live performance is enhanced by ICT in any of the ways described in Appendix E, the assessment is carried out as follows:

- The 'live' part is first assessed using the criteria for technical difficulty. In multi-tracked performances this part must be clearly identified by the Centre on the Candidate Assessment Form.
- The quality of the whole performance (with added effects, other parts etc) is then assessed using the criteria for musicality.
- The two marks are added together.

## Realising

The assessment criteria for realising a piece using technology have been designed to give greater weighting to the musicality of the realisation than to the difficulty. Candidates should select pieces that enable them to demonstrate their musicality.

The part to be assessed must be allocated a mark out of 20 using the following indicators:

1-4	The realisation has occasional accuracy but does not convey the intended effect of the piece.
5-8	The realisation has some accuracy and uses some musical elements appropriately. It attempts to convey the intention of the piece.
9-12	The realisation is broadly accurate and demonstrates technical control adequate to the demands of the piece. It communicates the intention of the piece with some success.
13-16	The realisation is accurate and displays good control of the technology which is appropriate to the demand of the piece. It has a sense of direction and shape and communicates the intended effect successfully.
17-20	The realisation is accurate with excellent control of the technology which supports musical expression. The realisation provides a convincing and memorable interpretation of the piece.

The initial mark for the realisation (maximum 20) is to be added to a mark out of 10 based on the technical difficulty of the realisation:

## Difficulty (realisation)

1-2	A short piece which has at least three parts and uses a limited rhythmic and /or melodic range. There are few other demands and the parts work simply together.
3-6	A piece which requires a range of rhythmic and/or melodic change with some technical demands in terms of articulation, phrasing, gradations of dynamics and key.
7-10	A more complex piece involving the interaction of a number of parts, with more intricate technical demands in terms of an extended range and the need to control tempo, articulation, dynamics and phrasing.

The difficulty mark is to be determined by using the descriptors in this specification and not by using the criteria of other examining bodies. Exemplar guidance on the assessment of the level of difficulty on different instruments/voice is given on pages 50-58. Candidates should attempt pieces that are within their performing capabilities. Marks awarded for difficulty cannot exceed marks for musicality.

## Difficulty Marks for Groups of Instruments

---

When making their assessment, teachers are reminded that the standard expected is one that can be achieved by candidates who have received tuition only in the classroom situation.

Advice is given on the choice of difficulty marks for specific groups of instruments. These are listed below, but are only intended as a guide.

Electronic keyboard	Strings	DJ-ing
Tuned percussion	Woodwind and recorders	Rapping/MC-ing
Untuned percussion	Brass	Piano and organ
Guitar - chord style	Voice	Sequencing
Guitar - classical	Beatboxing	

The level of difficulty requirements of a part assessed in the 1 - 2 mark band is given for each group of instruments, followed by an indication of what is required to build on that level of difficulty. An example of what might be required for the higher mark band is also provided.

These descriptors all refer to solo parts or pieces. In an ensemble, the relationship between the assessed part and the other parts must also be considered when determining the level of difficulty of the candidate's part. Terms such as 'easy key', 'easy leaps', etc. are specific to the instrument being assessed. It is not always possible to give comparable examples of 'easy keys' for all groups of instruments as these may vary for instruments within that group.

The following points should be noted when determining the difficulty mark for a particular part or piece:

- A part that clearly fulfils the descriptor for one instrument may be easier or more difficult when performed on a different instrument. This could be because of key, range, types of leaps etc.
- Different arrangements of many popular pieces are available, each with its own specific degree of difficulty.
- Some candidates may wish to perform a section of a piece, not the entire piece. In such cases, centres should judge the difficulty of the section(s) submitted.
- In many solo pieces, the nature of the accompaniment may have a bearing on the difficulty of the candidate's part; this should be taken into account when deciding on the appropriate difficulty mark.
- In ensemble pieces, the inclusion/exclusion of other parts can affect the difficulty of the assessed part. It is important therefore that each performance submitted should be judged on the technical requirements of the particular submission presented.

## Electronic keyboard

---

**An example of a 1 - 2 mark band:** a part in an easy key, with a melody using step movement, with easy leaps, and minimal changes in hand position; melody using mainly pulse notes, with perhaps a little easy quicker movement; basic chord changes - e.g. one per bar, using easy single finger chords. The part has a simple structure and requires a basic command of the technology.

The style is simple in its demands. In an ensemble, the assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult melody in range and/or leaps
- Duration: rhythmically more difficult; use of staccato/legato; quicker chord changes
- Tempo: more difficult tempo; requiring more control and/or dexterity
- Timbre: good use/control of sound bank
- Texture: harmony in the right hand; more complex chords; fingered chords
- Structure: the addition of contrasting sections or new demands; phrasing; use of fill-ins; increased difficulty in relation to any other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key e.g. D major, G minor, with a wider range of notes and changes in hand position; some syncopated rhythms in the right hand; quicker chord changes and a wider range of chords; challenges posed by the speed of the part; use of harmony in the right hand; a mastery of the technology is required.

## Tuned percussion

---

**An example of the 1 - 2 mark band:** a part in an easy key, with a melody using step movement, with easy leaps and a limited range; melody using mainly pulse notes, with perhaps a little easy quicker movement; perhaps a simple second part moving slowly; basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. In ensemble, the assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult melody in range and/or leaps
- Duration: rhythmically more difficult; use of tremolando
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument.
- Texture: addition of a more demanding second part with some complexity
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key e.g. D major, G minor with a wider range of notes and leaps; some syncopated or dotted rhythms; dynamic contrast required, showing good control and use of both beaters; agility of beaters to manage the speed of the part; use of harmony and tremolando.

## Untuned Percussion

---

**An example of the 1 - 2 mark band:** rhythm using crotchets and quavers, with perhaps some easy dotted rhythms, or simple compound time. Where the instrument requires the use of more than one sound source e.g. congas, the complexity of the relationship between the two or more sounds must be considered. Where the genre of the instrument includes repetition of a pattern, e.g. drum kit, this will need to be considered. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Duration: rhythmically more difficult; use of rolls; use of flams etc
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument
- Texture: the number of sound sources used and consideration of their complexity
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to any other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part requiring rhythmical dexterity; perhaps more dotted rhythms, and some syncopation; good use of dynamic contrast through effective control of drumsticks; contrasting sections perhaps including an improvisatory section.

## Guitar - chords style

---

**An example of the 1 - 2 mark band:** a part in an easy key. Chords mainly primary, with some easy secondary, and no changes in position. Chord changes mainly minims and semibreves, with perhaps a little easy crotchet change. Strumming in a simple style. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult chords
- Duration: more frequent chord changes; more complicated rhythm
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument
- Texture: density of the chords; more intricate strumming
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key e.g. D major, G minor, with a wider range of chords (with notes other than the basic triads), requiring left hand dexterity; chord changes more rapid and complex; a more than basic right hand technique:

## Guitar – classical

---

**An example of the 1 - 2 mark band:** a part in an easy key, with a melody using step movement, with easy leaps and a limited range. No position work and melody using mainly pulse notes, with perhaps a little easy quaver movement. Perhaps polyphonic, occasionally with the second part moving slowly. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps; some position work
- Duration: rhythmically more difficult
- Dynamics: dynamic contrasts, including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument
- Texture: addition of polyphony and/or homophony and consideration of its complexity
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key e.g. G minor, with a wider range of notes; with changes in hand positions, and with leaps; dynamic contrast is required; the addition of a second part and chords; use of more complicated groupings of notes.

## Strings

---

**An example of the 1 - 2 mark band:** a part in an easy key with a melody using step movement with easy leaps across adjacent strings and a limited range. There is only 1<sup>st</sup> position work and the melody uses mainly pulse notes with perhaps a little easy quicker movement. Basic in its use of dynamics and tempo and requiring elementary bowing technique and/or pizzicato. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps; some position work
- Duration: rhythmically more difficult; use of staccato/legato
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: requiring greater bow control to sustain a slower pace or to articulate a faster moving part
- Timbre: use of the different timbres available from the instrument
- Texture: addition of simple double stopping
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key e.g. F major, C minor, with a wider range of notes, leaps and changes in hand position; some dotted rhythms; use of dynamic contrast; good bow control to sustain and phrase a slow-moving melody, or challenges posed by the speed of the part, and subsequent dexterity required in both left hand and in bowing technique.

## Brass

---

**An example of the 1 - 2 mark band:** a part in an easy key, with a melody using step movement and easy leaps, with the same valve or slide position, and a limited range. Melody using mainly pulse notes, with perhaps a little easy quicker movement, in a way that makes minimal demands in terms of breath control. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps requiring greater embouchure control
- Duration: rhythmically more difficult; use of staccato, tonguing and slurring
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: requiring greater breath control to sustain a slower pace or the dexterity to articulate a faster moving part
- Timbre: expressive control of the sound across the range of the instrument; use of different timbres available from the instrument
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key, with a wider range of notes, and more difficult leaps; some dotted rhythms; use of dynamic contrast; good breath control to sustain and phrase a slow moving melody, or challenges posed by the speed of the part, and subsequent dexterity required in fingering and in embouchure/breath control.

## Woodwind and recorders

---

**An example of the 1 - 2 mark band:** a part in an easy key, with a melody using step movement, with easy leaps and a limited range. For the clarinet, the melody would not be across the break and, for recorders, there would not be any pinched notes. Melody using mainly pulse notes, with perhaps a little easy quicker movement in a way which makes minimal demands in terms of breath control. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps and technical control
- Duration: rhythmically more difficult; use of staccato, tonguing and slurring
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: requiring greater breath and embouchure control to sustain a slower pace or the technical dexterity to articulate a faster moving part
- Timbre: use of different timbres available from the instrument; expressive control of the sounds across the registers of the instrument
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key, with a wider range of notes, and more difficult leaps; some dotted rhythms; use of dynamic contrast; good breath control to sustain and phrase a slow moving melody, or challenges posed by the speed of the part, and subsequent dexterity required in fingering and in embouchure/ breath control.

## Voice

---

**An example of the 1 - 2 mark band:** a part with a melody using a limited range, step movement, with easy leaps. Melody using mainly pulse notes, with perhaps a little easy quicker movement, in a way that makes minimal demands of breath control. Basic in its use of dynamics and tempo. The part has a simple structure. The assessed part fits easily with any other parts. The style is simple in its demands. The accompaniment supports the voice without consistently doubling the voice part.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: more difficult melody in terms of range and/or leaps
- Duration: rhythmically more difficult; increased demands in terms of diction
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: greater breath control to sustain a slower pace, or the technical dexterity to articulate a faster moving part
- Timbre: some expressive control of the sounds across the vocal range
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts e.g. lack of support from any accompaniment present
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part with a wider range of notes, and some leaps, resulting in challenges in pitching and intonation; some dotted rhythms; use of dynamic contrast; good breath control to sustain and phrase a slow-moving melody, or challenges posed by the speed of the part and therefore requiring vocal dexterity.

## Beatboxing

---

**An example of the 1 - 2 mark band:** a simple rhythmic idea using basic sounds for bass drum, snare drum and hi-hat. (b/t/psh). Has a steady beat in a simple structure. The assessed part fits easily with any other parts. Has simple demands.

To achieve a higher mark, the part would require one or more of the following in addition to the above;

- Pitch: Alternative sounds – creating variations and/or fills
- Duration: More complicated rhythmic ideas including syncopation
- Dynamics: Dynamic contrasts
- Tempo: Faster pieces requiring technical dexterity in order to articulate faster movement of sounds
- Timbre: More inventive sounds
- Structure: Addition of contrasting sections

**An example of the 7 - 10 mark band:** a faster piece using 16 beat patterns including syncopation. The addition of effects such as vocal echo/reverb. The inclusion of scratching sounds or instrumental (vocal) sounds. A longer piece as an accompaniment to an MC or rapper.

## DJ-ing

---

(This should be a FREESTYLE performance using Vinyl, which will require video evidence)

**An example of the 1 - 2 mark band:** a simple rhythmic scratching (baby scratching) in time to beat. Has simple demands. Candidate has full control of the decks.

To achieve a higher mark, the part would require one or more of the following in addition to the above;

- Techniques: use of drum scratching, forward and backward scratching, chops/stabs, crab scratching, scribble scratching, echo fading.
- Duration: more complicated rhythmic ideas including syncopation
- Dynamics: use of deck faders and cross faders; good mix of both sound sources
- Tempo: faster movement of scratches
- Timbre: inventive use of sound sources
- Structure: addition of contrasting sections

**An example of the 7 - 10 mark band:** a longer performance with a variety of scratching techniques, incorporating drum scratching and a good use of the cross fader. Possibly accompanying an MC or rapper.

## Rapping / MC-ing

---

**An example of the 1 - 2 mark band;** a simple rhythmic idea using simple rhymes. Has a steady beat in a simple structure. The assessed part fits easily with any other parts. Has simple demands.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: addition of a hook line being sung
- Duration: more complicated rhythmically with syncopation including breaks
- Dynamics: dynamic contrasts
- Tempo: faster pieces requiring technical dexterity in order to articulate faster movement of words
- Timbre: longer words
- Structure: addition of contrasting sections

**An example of the 7 - 10 mark band:** a faster piece using long words, including syncopation. The inclusion of a hook line being sung. A longer piece requiring constant rapping.

## Piano and organ

---

**An example of the 1 - 2 mark band:** a part in an easy key, with a melody using step movement, with easy leaps and minimal changes in hand position. Melody using mainly pulse notes, with perhaps a little easy quicker movement. Little independent movement of hands and/or the left hand moves steadily. For organ, no use of pedals. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult melody in range and/or leaps
- Duration: rhythmically more difficult; use of staccato/legato

- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: registration (organ); sensitivity of touch; use of pedal(s) (piano)
- Texture: addition of polyphony and/or homophony and consideration of its complexity e.g. independence of hands and/or feet
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

**An example of the 7 - 10 mark band:** a part in a more difficult key e.g. B flat major, B minor, with a wider range of notes, and more difficult leaps; some changes in hand position; use of dynamic contrast; some simple independence of parts; challenges posed by the speed of the part.

## Sequencing

---

Needs to have at least **three** sequenced parts. A copy of the given starting point (melody or score) must be provided for moderation. The piece must be all the candidates own work - no use of pre-programmed loops or samples are allowed.

**An example of the 1 - 2 mark band;** a simple 12-16 bar melody with two suitable accompanying parts. Basic in its use of dynamics and tempo. The style is simple in its demands. The three parts fit together in a simple way.

To achieve a higher mark, the piece would require one or more of the following in addition to the above;

- Techniques: balancing of different parts; use of panning (stereo placing); use of reverb/chorus/other effects
- Duration: use of quantisation and editing of note values; use of staccato/legato notes
- Dynamics: use of volume changes including gradual changes; changes in individual note velocity (if using mouse input)
- Tempo: use of tempo changes
- Timbre: inventive choice/use of sound sources
- Texture: addition of more parts
- Structure: addition of contrasting accompaniment ideas
- Style: more complex in its requirements

**An example of the 7 - 10 mark band:** a longer piece using 7/8 different parts with obvious structural changes with tempo and dynamic changes. Uses quantising carefully and has a sense of stereo placement.

## Composing

---

The following criteria should be applied to Compositions

Compositions are assessed using a single set of criteria. Assessors should select the band which best fits the quality of the composition, then select a mark within the band which reflects the extent to which the piece meets the criteria.

1-4 marks	The piece uses a simple creative idea and has a basic structure. It contains some simple musical devices and attempts to model itself on the style defined by the brief.
5-8 marks	The piece uses some creative ideas which are restated in a natural progression. It uses appropriate musical devices with some success. The composer works within a simple overall structure. The piece fulfils the brief with some success.
9-12 marks	The piece has creative ideas that are developed using a range of musical devices. The structure of the piece is well-defined and appropriate to the musical materials. The piece broadly meets the brief and stylistic features are applied musically.
13-16 marks	The piece has musical ideas that are extended and developed successfully. The relevant musical conventions and structures are explored and used effectively to create a coherent composition. The brief is successfully fulfilled with a sense of musicality and style.
17-20 marks	The piece contains imaginative development of musical ideas. It shows both consistency and individuality in the way that it follows and challenges the conventions on which it is based. Musical devices are combined and manipulated successfully within a well-defined structure. The piece fully meets the stylistic intentions defined by the brief and has a strong sense of personal style.

## Arranging (Unit B352)

---

The following criteria should be applied to arrangements if used in Unit B352.

Arrangements are assessed using a single set of criteria. Assessors should select the band which best fits the quality of the arrangement, then select a mark within the band which reflects the extent to which the piece meets the criteria.

1-4 marks	The piece makes limited additions to the existing materials. The additions make a little positive impact.
5-8 marks	The piece contains a range of identifiable and planned additions and changes which are applied to the materials with some success. The outcome matches the brief and has some musical impact.
9-12 marks	The piece employs a range of musical features which enhance the given materials. It meets the brief and stylistic features are applied musically.
13-16 marks	The piece has a range of musical features that are appropriate to the materials. It uses relevant musical conventions, creating a coherent and successful arrangement. The brief is fulfilled with a sense of musicality and style.
17-20 marks	The piece reworks the materials in an imaginative and effective way. It shows both consistency and individuality in the use of figurations, textures and other conventions. The piece fully meets the stylistic intentions defined by the brief and has a strong sense of personal style.

## Commentary (Unit B351)

---

The following criteria should be applied to the Commentary (Unit B351).

Commentaries are marked using a single set of criteria. Assessors should select the band which best fits the quality of the commentary, then select a mark within the band which reflects the extent to which the work meets the criteria.

1-2	Statements are made about the piece performed, with reference to context, techniques and the quality of the performance. There is a simple composition brief. <i>Commentaries in this band make simple, general statements.</i>
3-5	The context of the piece is stated, and performing techniques used in it are listed. The judgement on the quality of the performance is accurate and the composition brief refers to a purpose and lists techniques to be used. <i>Commentaries in this band list appropriate techniques and features.</i>
6-8	There is understanding of why and how the instrument is used in the piece in relation to its context. Performing techniques are described with understanding of their effect. The performance evaluation refers to some of the performance details, and the composition brief states reasons for the selection of techniques to be used. <i>Commentaries in this band show understanding of the impact of techniques and features.</i>
9-10	There are musical insights into the use of the instrument in the piece in relation to its context. The subtleties of a range of performing techniques are described. The evaluation of the performance shows musical understanding, and the composition brief shows that musical decisions have been made about the techniques to be used. <i>Commentaries in this band show a high level of musical understanding.</i>

## Log and Evaluation (Unit B352)

---

The following criteria should be applied to the Log and Evaluation (Unit B352). The log and evaluation is marked using a single set of criteria. Assessors should select the band which best fits the quality of the log and evaluation, then select a mark within the band which reflects the extent to which the work meets the criteria.

1-2	There is a simple intention. Statements are made about the process, and there is a simple judgement about the effectiveness of the outcome. <i>Work in this band makes simple, general statements.</i>
3-5	The intention describes features of the content of the piece. The progress of the work is clearly documented and there is an accurate judgement on the effectiveness of the outcome. <i>Work in this band contains some detail and makes accurate statements.</i>
6-8	The intention contains detail which is supported by musical reasoning. The log demonstrates that musical decisions have been taken as the piece has progressed, and the evaluation shows an understanding of the effectiveness of the outcome. <i>Work in this band additionally shows musical thinking.</i>
9-10	The intention is musically conceived and detailed. The log demonstrates understanding of the musical impact of the piece as it progresses, and the evaluation provides perceptive insights relating to the effectiveness of the outcome. <i>Work in this band shows a high level of musical understanding.</i>

# Appendix C: Marking criteria for the Creative Task

The task is marked by OCR, based on the criteria below.

The task is marked out of 30.

20 marks are awarded for the quality of the response to the stimulus.

10 marks are awarded for the quality of the communication.

## Quality of Response

1-4	The response is simple and the musical materials are basic. There is a little sense of coherence or musical shape.
5-8	The response is simple and appropriate to the stimulus. Identifiable musical ideas are repeated and/or extended.
9-12	The response is coherent and contains some compositional devices that create a satisfactory outcome.
13-16	The response contains some musical development and uses musical devices and compositional techniques well. The outcome has a sense of style.
17-20	The response to the stimulus is stylish and imaginative resulting in a composition which is effective and memorable.

## Quality of Communication (Written, recorded, or using ICT)

1-2	The piece is communicated in a way that conveys the basic intended effect with limited accuracy.
3-4	The piece is communicated in a way that conveys the intention with reasonable accuracy of pitch and rhythm.
5-6	The piece is communicated successfully with accuracy of pitch and a range of other elements.
7-8	The piece is communicated in a way that shows good command of the medium used to convey the compositional intention, with accuracy and clarity of the intended style.
9-10	The piece is communicated effectively in a way that shows the stylistic and expressive intentions of the composer.

# Appendix D: Example Form - Commentary (Unit B351) and Log and Evaluation (Unit B352)

<b>Music</b>
<b>OCR GCSE Unit B351</b>
<b>Commentary</b>

Centre Number	<input type="text"/>	Centre Name	<input type="text"/>
Candidate Number	<input type="text"/>	Candidate Name	<input type="text"/>

<b>Instrument:</b> .....	<b>Title of piece:</b> .....	<b>Composer:</b> .....
-----------------------------	---------------------------------	---------------------------

**Explain the purpose of the piece, why your instrument is used in it, and the role that your instrument plays in the piece.**

**Describe the techniques that you used to perform/realise the piece, commenting if you can on their effect on the music.**

**Describe how the performance went, mentioning any particular strengths and areas that could have been improved.**

**Write a brief for a composition, drawing on what you have learned from the study of your piece.**

<h1>Music</h1>
<b>OCR GCSE Unit B352</b>
<b>Log and Evaluation</b>

Centre Number  Centre Name

Candidate Number  Candidate Name

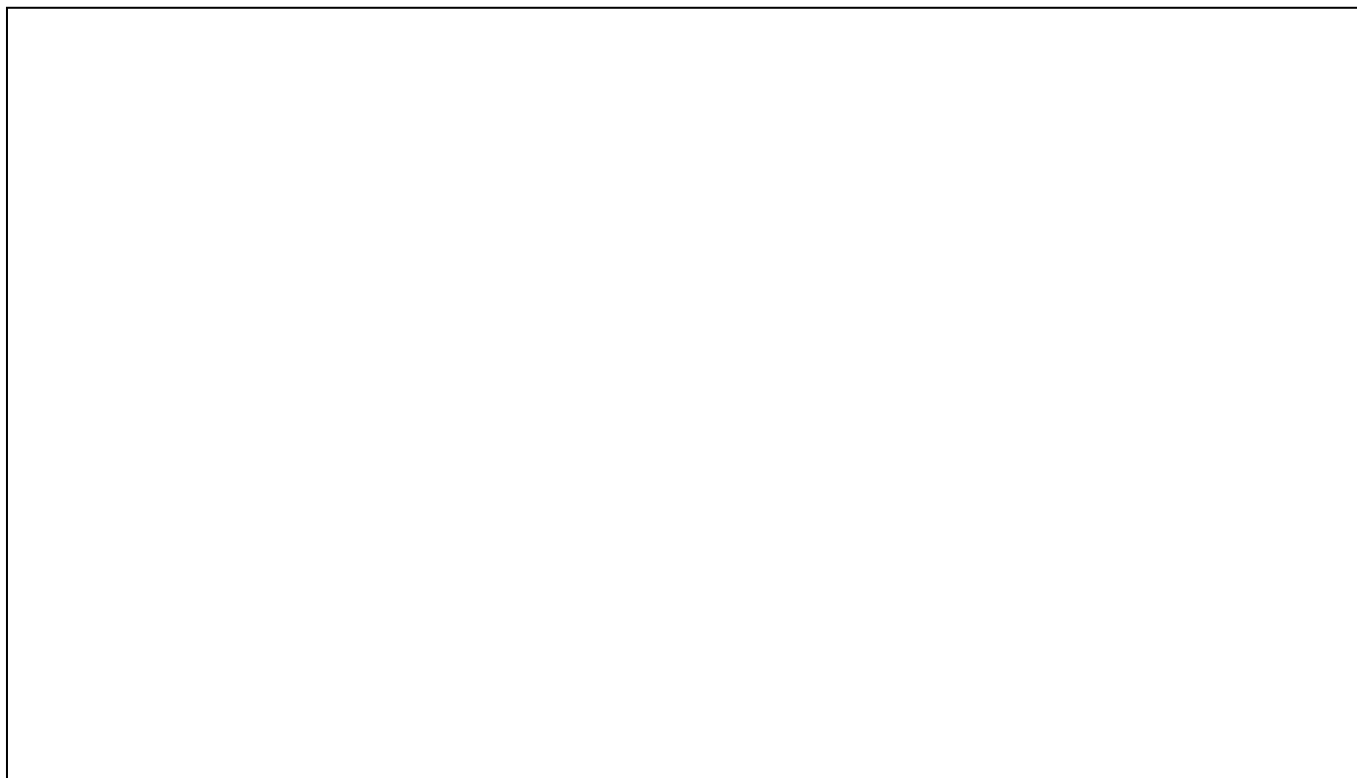

**Area of Study**.....

**Initial intentions** (this must include intended choice of resources):

**Log of process (including any support provided by the teacher, or technology)**

Date	Progress	Notes (including advice given/targets)

**Evaluation of piece:**

A large, empty rectangular box with a thin black border, intended for the student's evaluation of the piece.

# Appendix E: Guidance for the Production of Electronic Controlled Assessment

The Controlled Assessments of Units B351 and B352 each consist of three elements. For each candidate, the three elements for each unit together form a Controlled Assessment portfolio, stored electronically.

## Structure for evidence

A Controlled Assessment portfolio is a collection of folders and files containing the candidate's evidence. Folders should be organised in a structured way so that the evidence can be accessed easily by a teacher or moderator. This structure is commonly known as a folder tree. It would be helpful if the location of particular evidence is made clear by naming each file and folder appropriately and by use of an index, called 'Home Page.'

For each Controlled Assessment unit there should be a top level folder detailing the candidate's centre number, candidate number, surname and forename, together with the unit code B351 or B352, so that each portfolio is clearly identified as the work of one candidate.

Each candidate produces evidence for the three Controlled Assessment elements; Performance, Composition and Commentary or Log. The evidence for each element should be contained within a separate folder within the portfolio. Each of these folders is likely to contain separate files.

Each candidate's Controlled Assessment portfolio should be stored in a secure area on the centre network. Prior to submitting the Controlled Assessment portfolio to OCR, the centre should add a folder to the folder tree containing Controlled Assessment and summary forms.

## Data formats for evidence

In order to minimise software and hardware compatibility issues it will be necessary to save candidates' work using an appropriate file format. (Further information on this topic is provided in the separate OCR guidance on digital Controlled Assessment submissions).

Candidates must use formats appropriate to the evidence that they are providing and appropriate to viewing for assessment and moderation. Open file formats or proprietary formats for which a downloadable reader or player is available are acceptable. Where this is not available, the file format is not acceptable.

Electronic Controlled Assessment is designed to give candidates an opportunity to demonstrate what they know, understand and can do using current technology. Candidates do not gain marks for using more sophisticated formats or for using a range of formats. A candidate who chooses to use only digital photographs (as required by the specification) and word documents will not be disadvantaged by that choice.

Evidence submitted is likely to be in the form of word processed documents, scanned manuscript documents, outputs from composing software and digital recordings.

To ensure compatibility, all files submitted must be in the formats listed below. **Word processed documents, scanned manuscript documents or outputs from composing software must be converted to HTML or PDF formats before submission.** OCR will not accept compressed (zipped) file formats. Where new formats become available that might be acceptable, OCR will provide further guidance.

It is the centre's responsibility to ensure that the electronic portfolios submitted for moderation are accessible to the moderator and fully represent the evidence available for each candidate.

## Accepted File Formats

### Movie formats for digital video evidence

MPEG (\*.mpg)

QuickTime movie (\*.mov)

Macromedia Shockwave (\*.aam)

Macromedia Shockwave (\*.dcr)

Flash (\*.swf)

Windows Media File (\*.wmf)

MPEG Video Layer 4 (\*.mp4)

### Audio or sound formats

MPEG Audio Layer 3 (\*.mp3)

### Graphics formats including photographic evidence

JPEG (\*.jpg)

Graphics file (\*.pcx)

MS bitmap (\*.bmp)

GIF images (\*.gif)

### Animation formats

Macromedia Flash (\*.fla)

### Structured markup formats

HTML (\*.html, \*.htm)

XML (\*.xml)

CSS (\*.css)

XSL (\*.xsl/\*.xslt)

### Text formats

PDF (.pdf)

Please consult OCR guidance on digital Controlled Assessment submissions for advice on compatibility of versions of these file formats.
